## And...THE FUNNIES

Police officer: "Your car is too heavily overloaded. I simply cannot let you continue like that. I'm going to have to take away your driver's license."

Driver: "You're kidding me, right? The license can only weigh one ounce tops!"

When I look at chocolate, I hear two voices in my head.

The first one says: "You need to eat that chocolate."

The other voice goes: "You heard. Eat the chocolate."

Two years ago I asked the girl of my dreams on a date, today I asked her to marry me.

She said no, on both occasions.
