## This Week.. From the desk of Justin

Happy Spring Producers!

There is a hint of green out there and the weather of late sure feels good. I hope this finds you well and gearing up for a good spring season.

On a more somber note, and with sadness, we wish to inform you of the passing of Mike Phelan on April 15th, 2019. Mike was a long time friend and supporter of our market and will truly be missed.

Let us know if you are interested in consigning or looking to purchase - we are happy to assist however we can and hope to see you this Spring!

Take care,

**Justin K. Mauler**

**Call Steve Edwards to arrange to have your cattle picked up 546-6870.**

## And...THE FUNNIES

A firefighter is working outside the station when he notices a little girl in a little red wagon with small ladders on the sides, a garden hose coiled in the middle, and wearing a firefighter helmet. The wagon is being pulled by her dog and her cat.

The firefighter takes a closer look. "That sure is a nice fire truck," the firefighter says with high regard.

"Thanks," says the girl.

The firefighter notices the girl has tied the wagon to her dog's collar and to the cat's tail.

"Little lady," the firefighter says. "I don't want to tell you how to run your rig, but if you were to tie that rope around the cat's collar, I think you could go faster."

The little girl replies thoughtfully, "You're probably right, but... then I wouldn't have a siren!"
