This Week's... TAKE FIVE WITH CRAIG

Remember there will not be a sale next week (June 14th).
Our next sale is June 21st and we have some small early
consignments of pairs and feeder cattle. If you are a
consignor to this sale, be sure and let one of us know.
Our Horse Sale is Tuesday, June 12. We will begin our
horse sale with tack at noon, followed by ride and lead in
horses. We will finish up the sale with loose horses.
Try to remember our sale dates and our off sale dates
during the summer.

Call Steve Edwards to arrange to have your cattle
picked up.

And... THE LIGHTER SIDE

In light of the rising frequency of human/grizzly bear
conflicts, the Montana Department of Fish and Game is
advising hikers, hunters, and fishermen to take extra
precautions and keep alert for bears while in the field.
"We advise that outdoorsmen wear noisy little bells on
their clothing so as not to startle bears that aren't expecting
them. We also advise outdoorsmen to carry pepper spray
with them in case of an encounter with a bear. It is also a
good idea to watch out for fresh signs of bear activity.
Outdoorsmen should recognize the difference between
black bear and grizzly bear poop. Black bear poop is
smaller and contains lots of berries and squirrel fur.
Grizzly bear poop has little bells in it and smells like
pepper."
